

We are excited to be working with The Mease Spencer Academy from September 2022 providing Breakfast and Afterschool Care.

So, what's our story/why us?

At Mac's, we believe we offer a refreshing outlook on Out of School care. We believe that within this environment, children should be encouraged to have fun, but also to grow as children and people in what we see as an extension of the school day.

Originally operating out of the Mickleover Community Centre(Utttoxeter Road), which is already a key part of the community, we saw ourselves as an extension of that community, serving all schools within the local area. Since January 2021 we have operated from Highfields Spencer Academy as we outgrew the Community Centre. In addition since September 2021 we also operate from Chellaston Fields Spencer Academy and Castleward Spencer Academy. We now look forward to bringing our quality service to a wider audience as part of the Hilton community.

Why should you believe us?

As parents ourselves, we understand that out of school care feels slightly different to school, but our focus is on providing a safe and professional environment for your child, along with flexibility for you as a parent.

As such, we will be proactively introducing activities so that Mac's Club very much feels like an extension of the school day – whether it is sport, homework, reading or just plain having fun.

A key part of this learning environment is actively encouraging respect and manners amongst our children, whether this is with each other, or with the staff that are looking after them. So what does this mean – well it means respecting others, understanding people's feelings and emotions and their differing abilities.

So what about the important stuff for the kids – the grub?

Breakfast includes a selection of Cereals, Toast, Milk and Water. A light snack is available for children after school at Mac's Club. Healthy Eating Guidelines are followed and meals include foods such as pasta, hotdogs, wraps with fruit and salad always being available.

Opening hours / Price list

Parents can drop children off from 7.30am and they will be supervised and dropped to school.

We collect Children at the end of the school day. Parents can pick up at any time up until **6.15pm**. All children must be signed out by an adult over 16 who is named on that child's registration form.
